Overtime/Compensatory time for a regular part-time employee who works over his/her normal work schedule will accrue compensatory time at the employee's normal rate of hourly salary for hours under forty (40) per week, and one-and-a-half (1.5) times for hours over forty (40) per week. All such time must be approved in advance with the employee's supervisor or Department Director. Overtime is paid on completed fifteen (15) minute increments above the half (1/2) hour minimum. Time spent on paid sick leave, disability leave, vacation leave, military leave, compensatory time off, or other authorized paid leave shall be deemed time worked for the purposes of this Article.
- 5.06.02 Employees called back to work outside their regular work shift shall be compensated for a minimum of two (2) hours at time and one half (1/2) of their regular pay rate. For purposes of this provision, the job shall commence once an employee arrives on-site and shall be considered completed when either management or police dispatch is notified. City reserves the right to assign additional work within the two (2) hour period and subsequent call outs within the original two (2) hour call out do not receive an additional two (2) hour call out minimum. - 5.06.03 Union personnel will have the option of receiving either paid overtime or compensatory time off. The compensatory time accrual limit shall be one hundred sixty (160) hours maximum. Union personnel may elect to make contributions to one of City's deferred compensation plans in a given pay period in lieu of receiving paid overtime or accruing compensatory time. In addition, Union personnel have the option of converting accrued compensatory time and/or vacation time to one of City's deferred compensation plans. These contributions can be one time, lump sum contributions or Union personnel can temporarily increase the amount of their established deferral. For example, if an employee works overtime in a given pay period, he/she may temporarily increase the amount of their deferred compensation contribution for that pay period. Union personnel must submit a completed deferred compensation enrollment/change form to Payroll and the Human Resources Office prior to the end of the pay period for which they wish to have the change be effective.

- 5.06.04 During emergency situations (EOC activation) such as floods, earthquakes, severe storms, etc., City reserves the right to require that all overtime be compensated in pay, not compensatory time.
- 5.06.05 Employees working more than twelve (12) hours in a day shall receive double time for hours worked beginning with the thirteenth (13th) hour of work.
- 5.06.06 Employees who are contacted and consulted by telephone about a work-related problem outside their regular work shift, and who provide advice or direction, shall be compensated at an overtime rate for the actual time spent on the telephone, rounded up to the nearest thirty (30) minutes. The time will be recorded on timesheets as overtime.

- 5.07.02 The normal work schedule shall be forty (40) hours consisting of five (5) consecutive days of eight (8) hours each, exclusive of a lunch period, Monday through Friday or any schedule identified in Administrative Policy VI-001 Section 4.

Should the normal work schedule need to be modified in terms of days or shift hours by the Department Director to facilitate the needs of City, such modification in normal work schedules will be discussed with Union representatives as to methods for changing or rotating assignments prior to any change. The affected employee should be notified at least five (5) full working days prior to any change. Such modification cannot exceed a forty (40) hour work week unless additional hours are worked as a result of a shift change.

Recreation employees may choose to request schedule changes as needed rather than work overtime.

- 5.07.03 For the purposes of calculating overtime, compensatory time and defining payroll periods, the aforementioned schedules will apply.
- 5.07.04 Reporting for Duty: Employees who are unable to report for work at the beginning of their established shift shall notify their immediate supervisor at least thirty (30) minutes prior to the commencement of that shift. Employees shall follow departmental procedures for providing notice of their absence.

Failure to report to work for three (3) consecutive days (or shifts if applicable for which the employee is scheduled to work) without giving proper notice to City will be considered a voluntary resignation of employment even if a co-worker or supervisor covers the shift or otherwise arranges for coverage of the shift. Such employee shall, however, be reinstated provided the employee satisfactorily shows

that his/her failure to report was the result of reasonable extenuating circumstances beyond the employee's control.

5.07.05 Except in the case of emergencies, employees shall receive a lunch break after four (4) hours of overtime worked.

5.07.06 Any employee working eight (8) or more hours at the overtime rate during the sixteen (16) hour period immediately preceding the beginning of his/her regular work shift shall be entitled to a rest period of eight (8) consecutive hours on the completion of such overtime work with the following provisions:

- a. No employee shall be required to work in excess of sixteen (16) hours without rest unless an emergency is investigated and continued work is deemed necessary to prevent extreme property damage or to preserve human life.
- b. If the eight (8) hour rest period overlaps his/her regular work shift in whole or in part, he/she will be paid at the straight-time rate for the time that falls within his/her regular work shift.
- c. If the eight (8) hour rest period overlaps a portion of the first half of his/her work shift, the employee may be excused from work until the beginning of the second half of said shift. If the eight (8) hour rest period overlaps a portion of the second half of his/her work shift, he/she may be excused from work until the following work shift. He/she will be paid, however, for that portion of the rest period that overlaps his/her normal working shift. He/she will not be paid for the time between expiration of the rest period and his/her reporting for work.
- d. Hours worked prior to an eight (8) hour rest period shall not be included in determining another rest period.
- e. If the employee is called back to work during his/her eight (8) hour rest period, a new rest period will commence at the conclusion of such work.

The balance of sick leave will be added to the employee's accumulated sick leave.

The twenty five percent (25%) payout will not be calculated or paid to any employee absent from work on a work related injury which is being covered by worker's compensation.

7.01.03 Upon retirement, one hundred percent (100%) of the employees' unused sick leave balance will be credited to the employees' retirement eligibility. In the event an employee is absent from work for illness or injury, unless notified otherwise, prior to the end of the affected pay period, the time off will be coded and deducted from (1) accumulated sick leave, (2) accumulated comp time, and (3) accumulated vacation time, in that order. If a determination is subsequently made by City that the injury was job related, all sick leave, comp time and vacation time used to cover the leave will be credited back to the employee in an amount up to the worker's compensation determination. The amount of compensation from City may need to be offset by payments received from worker's compensation. At no time shall the employee receive compensation and worker's compensation payment in

Usage of this leave shall not be charged against the employee's sick leave or vacation. Bereavement leave longer than the applicable allotment, or for an individual outside of an employee's family, may be charged to the employee's vacation or sick leave as applicable. This leave will not affect the twenty-five percent (25%) or fifty percent (50%) cashout of sick leave for the same calendar year. 8.01

- a. For employees hired on or before January 1, 2013, and "Classic Employees" as defined in Government Code section 7522.02(c) of the California Public Employees' Pension Reform Act of 2012 ("PEPRA") hired on or after January 1, 2013, City agrees to continue its contract with the Public Employees' Retirement System ("PERS") for all applicable retirement benefits in effect on July 1, 2007, as follows:

The PERS miscellaneous contract will provide the single highest year and the 2.5% @ 55 basic retirement formula; and

- b. For employees that are considered "New Members" as defined in Government Code section 7522.04(f) of PEPRA hired on or after January 1, 2013, the following retirement benefit formulas will apply:

The PERS miscellaneous contract will provide for the three (3) highest years compensation average and the 2.0% @ 62 retirement formula.

- c. Beginning with PERS rates effective July 1, 2014, City and Union agree to split future rate increases at a 50/50 ratio. For example, in FY 13-14, City's miscellaneous contribution rate is 16.38%. On July 1, 2014, City's rate will increase to 17.30% and thus Union members will contribute fifty percent (50%) of the increase. ($17.30\% - 16.38\% = .92\% * 50\% = .46\%$). This methodology will be used in subsequent years should CalPERS increase the miscellaneous contribution rate.

- d. Effective July 1, 2013, Union members will pay the full employee contribution rate of eight percent (8%). Prior to July 1, 2013, City paid seven percent (7%) of the employee contribution while Union paid one percent (1%) for the 2.5% at 55 retirement benefit. City will subsequently increase all salary ranges (in addition to wage increases addressed in Article V) by seven percent (7%) on July 1, 2013.
- 8.02 City shall continue to contribute two percent (2%) of an employee's base salary to a 457 deferred compensation plan per pay period.
- 8.03 For the term of this agreement, City will maintain a life insurance program for each employee represented by Union in the amount of one hundred thousand dollars (\$100,000.00) effective August 1, 2008. This amount will be paid to the employee's beneficiary upon the death of the employee as outlined in the program documents. City will continue to pay 100 percent (100%) of the cost involved with this program. Any employee currently purchasing additional life insurance through the flexible benefits plan may continue to do so.
- 8.04 For the term of this agreement, City will maintain a long term disability program on all employees represented by Union. The amount of monthly coverage for the long term disability will be sixty six and two thirds percent (66 2/3%) of the employee's monthly earnings or a maximum benefit paid of four thousand dollars (\$4,000.00) per month, reduced by any deductive benefits. The maximum benefit period is to age sixty five (65) or twelve (12) months, whichever is longer. The elimination period is the sixty (60) days of total disability. Employees may be eligible for some benefits for partial disability as outlined in the Plan documents. City will continue to pay one hundred percent (100%) of the costs involved with this program.
- 8.05 For the terms of this agreement, City will maintain a short term disability program on all employees represented by Union. The amount of weekly coverage for the short term disability will be sixty six and two thirds percent (66 2/3%) of the employee's weekly earnings or a maximum of nine hundred eighty three (\$983.00.00) per week with a duration of eight (8) weeks and the elimination period of eight (8) days. The employee must be totally disabled to qualify for benefits. Per Plan requirements, maternity benefits are included in the short-term disability coverage. City will continue to pay 100 percent (100%) of the costs involved with this program.
- 8.06 **IRS 125 Program**
- 8.06.01 City shall maintain in effect the IRS-125 Program

All divisions will be provided soft caps with the City logo attached. With the exception of City provided soft cap or safety helmet, no other caps, head gear, or hats are to be worn. City will also provide regular uniform cleaning. Employees assigned uniforms are to report to work in uniforms that are neat and clean.
- 9.02.02 City will reimburse employees who regularly or occasionally perform field duties up to two hundred dollars (\$200.00) per year towards the purchase of Safety Shoes. Proof of purchase is required; once purchased, shoes must be worn during all working hours.

9.03 Light Duty Determination

- 9.03.01 In the event an employee is injured and off the job for ten (10) working days or more and may be able to return to work but not able to perform all her/his normal job duty assignments, a temporary "light duty" assignment may be made by City. To be eligible for such a modified assignment, City may require the employee to provide the Human Resources Office with a medical statement from his/her treating physician that clearly states the medical limitations and abilities of the employee. City may require a second or third doctor's determination at City expense. All light duty work requests shall be coordinated through the Human Resources Office. Light duty may be granted provide that:
 - a. A temporary modified work assignment is available and may be accommodated without adverse consequences to City or disruption in services or operations,
 - b. City may change regular days off and work hours while the employee is assigned to the temporary modified work assignment,
 - c. No temporary modified work assignment shall extend for more than ninety (90) days with the approval of the City Manager, and
 - d. No temporary modified work assignment creates any employee entitlement to an assignment in a light duty position.
- 9.03.02 An employee receiving such a light duty determination could be reassigned to another assignment or other reduced work schedule up to a forty (40) hour work week upon the determination of the Department Director. Once the employee is certified by his/her treating physician or City doctor as no longer in need of light duty, he/she will be reassigned to their normal work assignment.

9.04 Substance Abuse Policy

- 9.04.01 City's Substance Abuse Policy shall continue in effect for the term of this agreement.

9.05 Class "A" License

All Utility Worker and Maintenance Worker employees are required to maintain a Class "A" license. Pursuant to the Department of Transportation regulations, such employees are subject to the Department of Transportation Drug Policy. A copy of the Policy as agreed to by City and Union is attached (Exhibit H).

9.06 Citywide Safety Committee

City shall maintain a Citywide Safety Committee with Union appointing up to two (2) members. The Committee shall meet at least quarterly and shall review all accident reports and make recommendations thereon, review departmental safety programs and make recommendations thereon, and assist in planning and presenting safety programs. Responsibility for and authority over safety continues to be vested in City Management.

9.07 Lay Off Procedure

9.07.01 The City Council may abolish any position in the Classified Service due to lack of funds, work or need.

9.07.02 If City implements a reduction in work force, City will administer the lay-off policy consistent with the following concepts:

1) ORDER: The order of lay-off shall be as follows:

- a. Temporary (as-needed) employees;
- b. Probationary employees; and
- c. Permanent employees in inverse order of seniority within the classification series being reduced.

2) SENIORITY: Seniority shall be determined by the length of current continuous permanent service with City regardless of classification in which employed. Continuous service shall be defined as that which has not been interrupted by separation of service from City. Seniority shall be retained, but shall not accrue, during any period of authorized leave without pay (more than thirty (30) days), except for military leave. The treatment of personnel employed by means of State or Federal grant monies shall be in accordance with regulations for retention as established by the grantor. In the absence of such regulations, the type of position (Classified or Exempt) shall govern treatment of such personnel. Part time employees shall only receive their total hours of credit and are only subject to combine their total hours for bumping another part-time employee. At no time shall a part time employee be eligible to bump a full time employee, regardless of seniority. Should a full time employee who is subject to lay off, be eligible or certified to work in a part time position, the full time employee may bump into that position beginning with the least senior part time employee first.

3) NOTICE: Probationary and regular employees in the Classified Service, who are scheduled to be laid off, shall receive at least a twenty-one (21) day notice. When City determines that it must implement a reduction in work force, notice to the employee shall be in writing and the bargaining unit shall receive the following information, in addition to the opportunity to discuss with a representative of management:

- a. Reason for lay-off,
- b. Effective date of lay-off,
- c. Conditions governing re-employment, and
- d. Information regarding unemployment insurance.

- 9.07.03 In lieu of layoff, an employee may elect transfer or demotion to a vacant position in the Classified Service which City intends to fill and for which the employee is qualified. Such actions shall be governed by the terms of Section 10 of the Personnel Rules and in no event shall result in an employee being placed in a classification carrying a higher maximum rate of pay. If two (2) or more employees have requested transfer or demotion to the same vacant position and City has determined they are both qualified to fill it, the more senior employee shall receive preference. For purposes of this section, total time in the Classified Service shall be utilized in determining seniority.
- 9.07.04 Within ten (10) days from the date layoff notices are issued, an employee who would otherwise be laid off may elect to displace an employee in a classification carrying a lower or the same maximum rate of pay, provided that the displacing employee must have held regular status in such classification and have greater time in the classification and directly related higher classifications combined than the employee being displaced. For example, related classifications would mean Utility Worker I, Utility Worker II, Senior Utility Worker, etc.
- 9.07.05 A probationary or regular employee displaced in accordance with this paragraph shall, in turn, be provided the same notice and "bumping" privilege as set forth in that paragraph.
- 9.07.06 Regular and probationary personnel laid off in accordance with this section shall, unless they request otherwise, be placed on a re-employment list for three (3) years. If an employee is re-employed from such a list, all service credits and sick leave accrued to the date of layoff shall be restored. In no event, however, shall City be required to restore credits for vacation and sick leave paid out at the time of layoff.
- 9.07.07 At the time of layoff, the employee's name shall be removed from all promotional eligible lists, but, at the employee's request, shall be retained on open-competitive lists subject to the provisions of Section 10 of the City's Personnel Rules. If the employee is re-employed prior to the expiration of a promotional list, they shall be reinstated to the list.

- 9.07.08 Prior to the effective date of layoff, the Department Director shall furnish the City Manager a final evaluation of the employee's performance.
- 9.07.09 Management employees are not eligible to "bump down" into a Union represented position regardless of their previous seniority or status.

9.08 Work Stoppage, Any Job Action, Slowdown

- 9.08.01 During the life of this MOU, no work stoppage, strikes, or picketing shall be caused or sanctioned by Union and no lockouts shall be made by City.
- 9.08.02 In the event that any employee covered by this Agreement, individually or collectively, violates the provisions of this article and Union fails to exercise good faith in halting the work interruption, Union and the employees involved shall be deemed in violation of this article and City shall be entitled to seek all remedies available to it under applicable law.
- 9.08.03 Should City change or increase the duties, requirements, or safety hazards of any job classification(s) represented herein, City will meet and confer with Union no later than thirty (30) days before effective date of such change or changes for the purpose of negotiating appropriate salary adjustment(s) for the so changed classification(s) at a level appropriate to compensate for the increased duties, requirements or safety hazards.

ARTICLE X. – GRIEVANCE PROCEDURE

- 10.01 The following grievance procedure will be in effect:
- 10.02 A grievance is defined as any dispute involving the interpretation, application or alleged violation of:
 - 10.02.01 A current Memorandum of Understanding between City and Union.
 - 10.02.02 City's Personnel Rules where the provision in dispute is within the scope of representation.
- 10.03 Disciplinary appeals are subject to the provisions of City's Personnel Rules.
- 10.04 **Informal and Formal Grievances**
 - 10.04.01 Step 1. An employee who has a grievance shall bring it to the attention of his/her immediate supervisor within five (5) working days of the occurrence of the act which is the basis for the dispute. If the employee and the immediate supervisor are unable to resolve the grievance within five (5) working days of the date it is raised with the

immediate supervisor, the employee shall have the right to submit a formal grievance which shall contain the following information:

- a. The name of the grievant;
- b. The grievant's department and specific work site;
- c. The name of the grievant's immediate supervisor;
- d. A statement of the nature of the grievance including the date and place of occurrence;
- e. The specific provision, policy, or procedure alleged to have been violated;
- f. The remedies sought by the grievant; and
- g. The name of the individual or organization, if any, designated by the grievant to represent him/her in the processing of the grievance. However, in no event, shall an employee organization other than the one which formally represents the position occupied by the grievant be designated as the grievant's representative.

10.04.02 Step 2. An employee dissatisfied with the decision of the immediate supervisor in Step 1 may submit the grievance to his/her Department Director within seven (7) working days from the date of the immediate supervisor's decision. The Department Director shall respond to the grievance in writing within seven (7) working days from the date of its receipt.

10.04.03 Step 3. If the employee is dissatisfied with the decision of the Department Director in Step 2, he/she may submit the grievance to the City Manager within ten (10) working days from receipt of the Department Director's response. The City Manager or his/her designated representative shall respond to the grievance in writing within the ten (10) working days of its receipt. Within this period the City Manager, or his/her designee, at his/her discretion, may conduct an informal hearing involving the parties to the dispute.

10.04.04 Step 4. If the employee is dissatisfied with the decision of the City Manager, he/she may submit the grievance to an Employee Relations Panel as provided in Part C, listed below. Notice of such appeal must be filed in writing by the employee with the City Manager within fifteen (15) working days of receipt of the City Manager or his/her designee's decision.

10.05 Employee Relations Panel

10.05.01 The Employee Relations Panel shall consist of three (3) members selected as follows:

- a. A City Management official selected by the City Manager.

- b. A City employee selected by the grievant provided, however, that the participation of the employee so selected shall not constitute a conflict of interest nor subject that employee to any recriminations as a result of his/her participation.
- c. A representative of the California State Mediation and Conciliation Service, or an individual chosen by the parties knowledgeable in public sector labor relations from any source reasonably likely to produce such an individual, including but not limited to, a labor organization or management organization. This person shall serve as chairperson.
 - i. The Chairperson shall serve without compensation unless it can be demonstrated that the individual was obliged to use accrued leave benefits or leave without pay to serve on the Panel. Where provided compensation, pay shall be shared by City and the grievant or Union.
 - ii. The Panel shall be constituted and hear the grievance within thirty (30) working days from the filing of the appeal with the City Manager. The Panel's decision shall be rendered within fifteen (15) working days from the conclusion of the hearing. The majority decision of the panel shall be final and binding, subject only to ratification by the City Council if said decision mandates a capital expenditure or significant, unbudgeted expenditures. In those instances the ruling shall be submitted to the City Council for action which may include modification or reversal.

10.05.02 The conduct of the Panel's hearing shall be governed by the following ground rules.

- a. All hearings shall be convened during regular established City hours to the extent feasible. The grievant and City employees serving on the Panel or whose participation in the hearing is required by the Panel, shall not suffer loss of wages for time devoted to this purpose. No compensation shall be provided during times that is not the employee's regularly scheduled work period.
- b. All hearings shall be conducted in an expeditious manner, with the Chairperson retaining final authority to rule on procedural matters or on other points affecting the length and conduct of the hearing. Legal counsel, court reporters and briefs shall only be utilized upon agreement between City and the grievant and shall not serve to delay the Panel's decision beyond the prescribed time limit, except by mutual agreement.
- c. The Panel shall be committed to resolving the grievance in an objective, timely and equitable fashion and shall not permit either party to engage in any presentation or line of an argument which detracts from this purpose. Moreover, the Panel shall not accept evidence not presented in Step 3 of this procedure.
- d. No hearing shall be convened unless both parties have stipulated in writing to

the issue or issues to be heard by the panel.

10.06 General Conditions

Any time limit set forth in this procedure may be extended by written agreement between City and the grievant or the recognized employee organization representing the grievant.

- a. Failure on the part of the grievant or their designated representative to comply with the time limits of this procedure or any extension thereto shall constitute a withdrawal of the grievance without further recourse for re-submittal under this procedure. Failure on the part of City to comply with prescribed time limits or extension thereto shall result in the grievance being moved to the next step of the procedure.
- b. The grievant shall be entitled to have a representative of his own choosing, except as provided in Step 1, B-G., present at any grievance meeting with City.
- c. A representative of a recognized employee organization which represents the grievant's position shall be entitled to be present at any hearing held in conjunction with Step 3 and Step 4 of this procedure.
- d. The City Manager or his/her designated representative shall serve as the central repository for all grievance records.

ARTICLE XI. – MISCELLANEOUS

- 11.01 City and Union consent to form a committee whose task shall be to create a program that provides for certain positions within City's classifications to be designated as "flexibly staffed." Flexibly staffed positions will afford City the opportunity to increase the capacity of the work force to deliver quality services to citizens and provides City employees with advancement opportunities within their job classification. Once the program is established, Human Resources shall be responsible for its oversight.

ARTICLE XII. – RATIFICATION

12.01 This Memorandum of Understanding shall become effective July 1, 2013.

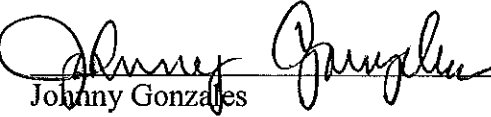

12.02 No earlier than March 4, 2015, and no later than March 11, 2015, Union shall provide the City with its written requests on terms within the scope of representation for the period beginning July 1, 2011. The City and the Union shall begin to meet and confer on or before April 1, 2014.

- D. "Equivalents" are defined in the requalification section of this policy.
- E. Different certificates will qualify towards EIP based on the certificate's degree of difficulty, hours required for completion, and the recommendation of the Department Director. Attachment A lists specific certificates and licenses, and the respective EIP points that qualify for EIP.

V. REVIEW PROCESS FOR CERTIFICATIONS

The following review process will be used for assessing how a certification, other than a college course, will count towards EIP:

- A. Where possible, the formula found in the "Equivalents other than college units" section of this article will be used to evaluate the degree to which the certificate counts towards EIP.
- B. If it is possible to obtain, the Human Resources Manager will contact the agency awarding the certificate and request a statement describing the number of preparation and/or course hours needed to obtain the certificate. This statement will then be converted to formula hours.
- C. In the event a determination cannot be made using paragraphs A and B listed above, the employee will make a recommendation to their Department Director and to the Union President or in the absence of the Union President, the Vice-President. This recommendation by the employee shall be in writing and shall include the degree to

which the employee feels the certificate should count towards EIP and the justification for such.

- D. If these two (2) individuals agree with the employee's recommendation or if they both agree with a modified recommendation, they will present such to the Human Resources Manager for final determination.
- E. The Human Resources Manager, if he/she concurs with the recommendation, will see that such certification is counted towards the employee's EIP.
- F. If the Department Director and Union President cannot agree on a recommendation, the Human Resources Manager will, with both parties present, conduct an informal hearing and allow both individuals to state their recommendation along with appropriate justification. The Human Resources Manager may decide to choose one of the recommendations presented or a modification of such. The decision of the Human Resources Manager will be final.
- G. If both the Department Director and the Union President agree on a recommendation which the Human Resources Manager cannot endorse, the Human Resources Manager will explain his/her justifications and attempt to get the parties to modify their recommendation. If agreement cannot be reached the issue will be presented to the City Manager for determination.
- H. If the employee is not satisfied with the decision of the City Manager, the employee may file a grievance pursuant to the grievance procedure contained in the AFSCME MOU. The grievance will be advanced to the final step in the grievance process as the City Manager review has already taken place.

VI. PROGRAM QUALIFICATIONS AND GUIDELINES

The following qualifications and guidelines exist to help administer this program:

- A. An employee must have completed his/her initial probation before being eligible for this program. Employees on probationary status as a result of promotions shall be deemed eligible under this program.
- B. The employee must demonstrate that the course or degree being sought and being considered for the EIP program will be directly related towards enhancing the employee's present job skills or future promotional opportunities within City. The Human Resources Manager will make this determination after discussions with the employee and the Department Director. The burden of proof as to job relatedness of specific educational levels shall be upon employee. In addition, courses required as part of a degree program will also be considered.
- C. Employees should contact their Department Director prior to enrollment in a course or class to receive confirmation that such a class would qualify for this program.

The Department Director will contact the Human Resources Office to receive confirmation that a specific course or certification qualifies for EIP.

- D. Upon Department Director approval, City will make every effort to reasonably accommodate employee course schedules provided employee workload, overtime budgets, etc. are not adversely impacted.
- E. All attendance and participation in this program will be on the employee's own time and at their own expense.
- F. The tuition reimbursement program is a separate benefit contained in the MOU and employees may have the option of using the tuition reimbursement program towards the attainment of their education or professional development goals. Use of the tuition reimbursement program by the employee will not violate any provisions of this article.
- G. To qualify for this program, the employee must complete the course(s) with a passing grade of "C" or better. If grades are not assigned, the employee must provide other written certification which demonstrates that the employee has successfully passed the course or obtained certification.
- H. Payment of EIP will be effective on the first day of the payroll period following the date of the college degree, course certification, etc., provided the employee has made a timely request to the Human Resources Manager for such pay. In no circumstances will payroll periods be split to match the exact date appearing on the degree or certificate.
- I. EIP is based upon education which is in addition to the regular requirements of the job as stated on City's adopted job description. Employees should refer to each specific job description for the minimum educational requirements. These educational requirements are used as the starting point for EIP calculations.

VII. DOCUMENTATION OF EDUCATIONAL ACHIEVEMENT

- A. City will provide an EIP Program form to be kept in the employee's personnel file to track the employee's participation in this program.
- B. Evidence of successful completion of a degree, course or certificate shall consist of a diploma or certificate indicating the major field of study along with a copy of college transcripts.
- C. The employee is responsible to furnish in a timely fashion all necessary documentation to the Human Resources Office.

VIII. TERMINATION OF EDUCATIONAL INCENTIVE PAY

- A. EIP shall be terminated at such time as the employee receiving EIP is promoted to or otherwise placed in a position requiring the educational level which the employee already possesses or a higher educational level.
- B. In cases where a promotion would cause an employee to lose their EIP due to a reclassification, the employee will receive a new base salary equal to or greater than an amount five percent (5%) above their old base salary and EIP combined.
- C. EIP will also be terminated when an employee fails to requalify as per the guidelines outlined in this policy.
- D. Once an employee fails to requalify, they will lose their EIP until such time as they have completed the outlined requalification requirements. At such time, the employee will then be able to return to the EIP level they enjoyed before they failed to requalify.

IX. REQUALIFICATION PROCESS

Requalification for continued receipt of EIP shall be training sessions provided by the City during each year of the contract as identified by the Human Resources Manager.

X. EMPLOYEES PREVIOUSLY ON LONGEVITY

- A. Effective October 1, 1989, the City's Longevity Pay Program will be replaced entirely with a special EIP for only those employees still on the Longevity Pay Program as of that date. The terms of this special program will be as follows:
 - i. All eligible employees shall be converted to the special EIP program at the same pay as they enjoyed under the Longevity Pay Program. No employee will be allowed to begin receiving longevity pay who is not already receiving such pay prior to October 1, 1989. This special EIP Program assumes that these employees will continue to requalify under the City's existing EIP program guidelines for continued receipt of EIP.
 - ii. An employee previously on the longevity pay program may use this special EIP program or they may convert at any time they choose to the regular EIP program outlined in this article. This is a one-way conversion. Once an employee elects the regular EIP Program, he/she may not return to this special EIP Program.
 - iii. Employees covered under the previous longevity program may advance on their anniversary date to the various pay levels of five percent (5%) after ten (10) years service, seven and one half percent (7.5%) after fifteen (15) years of service, and ten percent (10%) after twenty (20) years of service. Advancement is based upon the assumption that these employees will continue to requalify under the City's existing EIP program guidelines for continued receipt of EIP pay.
- E. Once an employee fails to requalify, they will lose their EIP until such time as they have completed the outlined requalification requirements. At such time, the

employee will then be able to return to the EIP level they enjoyed before they failed to requalify.

- F. Employees previously on the City longevity program who do not wish to continue to requalify annually may make a one-time decision to freeze their percentage benefit at its current rate.

RATIONALE FOR ASSIGNING POINT VALUES

In general, certification/license requirements were equated to college units by using our standard formula of three (3) college semester units = forty eight (48) hours of class time = three (3) EIP points. None of the organizations listed above offered standard Continuing Professional Education (CPE) credits for the certifications/licenses, however, employees may take preparatory courses at institutions which do offer CPE credits. If such credits are offered, they count toward EIP, with one (1) CPE credit being equal to one (1) college semester unit.

EIP credit may also be given for home study which is *not* related to a preparatory class, provided that the employee keeps a detailed written log showing the hours of study and the specific topics studied.

For certifications which accept college courses or degrees in lieu of experience, employees will receive credit for the courses/degree under Section IV of the EIP Program.

Real Estate License

The State of California offers two (2) real estate licenses which might be obtained by City employees to benefit their job: a Real Estate Salesperson License, and a Real Estate Broker License. The requirements for each license are outlined below.

DRUG AND ALCOHOL TESTING PROGRAM
PURSUANT TO THE DEPARTMENT OF
TRANSPORTATION REGULATIONS**

EFFECTIVE DATE: November 3, 1997
REVISED: July 1, 2003

Effective January 1, 1996, the City of Morgan Hill must comply with the United States Department of Transportation regulation implementing the Federal Omnibus Transportation Employee Testing Act (OTETA) of 1991. OTETA requires the City to establish alcohol and drug testing programs to help prevent the misuse of alcohol and drugs by drivers of commercial motor vehicles. Keeping in mind the basic objectives stated in the City of Morgan Hill Policy on Substance Abuse, which went into effect September 26, 1989, the City has established the following alcohol and drug testing procedures and program in compliance with the OTETA, hereafter referred to as "the program".¹

Employees covered by this program are subject to pre-employment, cause, and random testing, and may be subject to post-accident, return-to-duty and unannounced follow-up testing. The testing procedures use an evidential breath test (EBT) device for alcohol testing. For drug testing, urine specimen collection and testing by a laboratory certified by the Department of Health and Human Services is required. If the Medical Review Officer (MRO) determines that an employee has misused alcohol or drugs in violation of this program, the City will remove the employee from safety-sensitive functions. The employee will not perform safety-sensitive functions until the employee meets the requirements established in this program which may include referral to a Substance Abuse Professional (SAP), participation in a rehabilitation program, return-to duty testing, and/or follow-up testing.

Any employee who is given an alcohol confirmation test by the BAT and the BAC level is 0.02% or greater, but less than 0.04%, on the second time shall be suspended without pay for five (5) regularly scheduled work days. The employee shall be referred to the SAP for evaluation and assessment of fitness for duty.
- 4. Any employee who has a BAC level that is 0.02% or greater, but less than 0.04%, on the third time within a five (5) year period will be treated as the second step in random testing.

³For consequences to outside applicants, please see Section VIII (D)(4) (I can't find this section) of this program regarding pre-employment testing.

- E. Any covered employee who refuses to submit to an alcohol or drug test required by this program shall be terminated.
- F. The City's Drug Program Coordinator or designee will assist in advising the employee of the resources available to the employee in evaluating and resolving problems associated with the misuse of alcohol or drugs, including the names, addresses, and telephone numbers of SAPs and counseling and treatment programs.

V. SELF-IDENTIFICATION PROCEDURE

Covered employees are encouraged to advise the City if they are involved with the misuse of alcohol or for the use of drugs. This procedure is available only to covered employees who have not been notified of a random test, reasonable cause test, or a post-accident test. This procedure cannot be used by covered employees to avoid the consequences for a positive test or a refusal to test.

PROCEDURE

If an employee self-identifies a problem with misuse of alcohol or drugs, the City will refer the employee to a SAP. Prior to returning to a safety-sensitive position, the employee will be tested.

If the SAP determines that the employee requires participation in a rehabilitation program, the employee will be referred to his/her own medical insurance plan and/or the City's Employee Assistance Program (EAP). The City is not required to pay for treatment beyond the cost contributed for those programs as stated in the AFSCME MOU.

If an employee self-identifies a second time, it will be treated as a first incident of a positive test through random testing.

VI. PERSONNEL ACTIONS

A. Disciplinary Action for Misconduct

Any covered employee who engages in an act prohibited by Section III violates federal law. Employee violations of this program may constitute misconduct under the City of Morgan Hill's Personnel Rules and Regulations, Section 11, "Disciplinary Actions" as may be amended from time to time.

VII. DRUG AND ALCOHOL TESTING METHODOLOGY

A. Alcohol Testing

Alcohol testing shall be done based on an "evidential breath testing device" which is the testing method used by law enforcement officials in drunk driving cases. A breath alcohol technician shall explain the test to the employee being tested and properly administer the test to the employee.

B. Drug Testing

Drug testing shall be done based on a "split specimen" procedure of collecting and analyzing urine samples. The specimen taken will be divided into primary and secondary specimens. If the primary specimen test is positive, the employee shall be informed of their right to request a test of the secondary specimen by a separate laboratory or by the same laboratory, if they choose, at the employee's expense. The employee will be removed from the safety-sensitive function pending the outcome of the secondary sample test results. The employee has seventy two (72) hours within which to make the request for the secondary sample test. If the secondary test result is negative, the City shall reimburse the employee for the cost of the secondary test and all references to the positive test will be expunged from all records. If the secondary test result is positive, the employee will be subject to the procedures in Personnel Rules Section VI.

C. Chain of Custody/Confidentiality

All alcohol and drug tests required to be administered to covered employees under this program shall be conducted by the City's service providers to ensure appropriate chain of custody and confidentiality of results.

VIII. PRE-EMPLOYMENT ALCOHOL AND DRUG TESTING

A. Preface

Prior to performing any safety-sensitive functions for the City, the employee or applicant shall undergo testing for alcohol and drugs. The City shall not allow a covered employee to perform safety-sensitive functions unless the employee has been administered an alcohol test with a result indicating an alcohol concentration less than 0.02%, and has received a drug test result indicating a verified negative test result.

B. Procedures

1. All regular, probationary, temporary, limited term, and work-out-of class assignments in job positions which require a Commercial Driver's License

and the performance of safety-sensitive functions are subject to pre-employment testing.

2. All persons selected by the City Manager and offered a position from an appropriate employment list for a job position requiring a Commercial Driver's License and the performance of safety-sensitive functions are subject to pre-employment testing. This section applies equally to current employees of the City and outside applicants. The drug samples may be collected during pre-employment medical examinations and the samples will be provided to the City certified laboratory.
3. Every job announcement and internal transfer opportunities bulletin for a position requiring a Commercial Driver's License and the performance of safety-sensitive functions will include a written statement of the alcohol and drug testing requirement as stated above.
4. Pursuant to the City's Policy regarding Substance Abuse, all job positions are subject to pre-employment alcohol and drug testing.
5. All pre-employment alcohol and drug tests will be conducted by the City's service providers to ensure appropriate chain of custody and confidentiality of results.

C. Exceptions to Pre-Employment Testing

1. Persons employed by the City upon implementation of the program and who are in positions requiring the possession of a Commercial Driver's License and the performance safety-sensitive functions will not be required to submit to initial drug testing to continue in their jobs. Commencing on implementation of the program, all other persons who are entering into positions requiring the possession of a Commercial Driver's License and the performance of safety-sensitive functions, for example, but not limited to, new hires, rehires, transfers, and return-to-duty from any leave of absence for 20 consecutive working days or more, shall be required to submit to pre-employment testing under this program.
2. Current employees in covered classes will not be required to submit to pre-employment testing if they have been tested within the last twelve (12) months in their current position.
3. Current employees of the City who wish to be eligible for temporary or work-out-of-class assignments, and have previously passed pre-employment alcohol and drug tests and agreed to remain within the pool of employees from which random testing is conducted.

D. Consequences

1. Any covered employee who tests positive on a drug test or has an alcohol test result of 0.04% BAC or greater will be removed from the safety-sensitive eligibility list and will be subject to the provisions in Section IV. The employee may, however, reapply for future safety-sensitive position with the City and will be subject to testing in accordance with this program at that time.
2. If the pre-employment alcohol test result indicates a BAC of 0.02% or greater but less than 0.04%, the employee will have the right to request retesting of the second split specimen at their expense. If the retest result is negative, the employee will be reimbursed the cost by the City and the employee will be considered for the safety sensitive position. If the retest is positive, the employee will be removed from the safety-sensitive eligibility list and will be subject to the provisions in Section IV. The employee may, however, reapply for future safety-sensitive positions with the City and will be subject to testing in accordance with this program at that time.
3. All outside applicants for positions with the City which require the possession of a Commercial Driver's License and the performance of safety-sensitive functions must submit to pre-employment alcohol and-drug testing without exception. Any applicant who has a confirmed positive test for alcohol or drugs or refuses to take the test will not be hired.

IX. NEW HIRE DRUG AND ALCOHOL RECORD CHECK

A. Preface

The City is required to request information about safety-sensitive function employees from previous DOT-regulated employers who have employed the new hires during any period preceding the two (2) years before the date of the new hire's application or transfer. After obtaining written consent from the employee, the City must request information from previous DOT-regulated employers regarding alcohol tests with results of 0.04% or higher concentration, verified positive drug tests, refusals to be tested and other violations of DOT agency and drug and alcohol testing regulations. In respect to any employee who violated a regulation, the City must obtain documentation of the employee's successful completion of DOT return-to-duty requirements.

B. Procedures

1. The City will obtain the written consent of any employee seeking to begin performing safety-sensitive duties for the first time, such as a new hire or an employee transferring into a safety-sensitive position. If the employee refuses to provide this written consent, the City will not permit the employee to perform safety-sensitive functions.

2. The City will request the following information from the employee's previous DOT-related employers:
 - a. Alcohol tests with a result of 0.04% or higher alcohol concentration.
 - b. Verified positive drug tests.
 - c. Refusals to be tested (including verified adulterated or substituted drug test results).
 - d. Other violations of DOT agency drug and alcohol testing regulations.
 - e. With respect to any employee who violated a DOT drug and alcohol regulation, documentation of the employee's successful completion of DOT return-to-duty requirements including follow-up tests. If the previous employer does not have information about the return-to-duty process (e.g., an employer who did not hire an employee who tested positive on a pre-employment test) the City will seek to obtain this information from the employee.
 - f. This information obtained from a previous employer includes any drug or alcohol test information obtained from previous DOT-regulated employers. The City will obtain a release of information from the new hire. This release will accompany the request for information, and will maintain a written, confidential record of this information, including the date, the party to whom it was released, and a summary of the information provided.
3. The City will maintain a written, confidential record of the information obtained or of the good-faith effort made to obtain the information. The City will retain this information for three (3) years from the date of the employee's first performance of safety-sensitive duties.
4. The City must ask the employee whether he or she has tested positive, or refused to test, on any pre-employment drug or alcohol test administered by an employer to which the employee applied for, but did not obtain, in safety-sensitive work covered by DOT agency drug and alcohol testing rules during the preceding two (2) years. If the employee admits that he or she had a positive test or a refusal to test, the City will not use the employee to perform safety-sensitive functions unless the employee documents successful completion of the return-to-duty process.

5. If the City has not obtained results pre-employment drug or alcohol testing or made a documented good-faith effort to obtain this information within thirty (30) days of the hire date, the employee must be removed from performance of safety-sensitive functions.
6. The City must comply with requests for two (2) year drug and alcohol testing histories from any future employers of personnel covered by this policy.

X. RANDOM ALCOHOL AND DRUG TESTING

A. Preface

Covered employees are required to submit to alcohol and drug testing on a random basis. Twenty-five percent (25%) of the average number of covered employee positions shall be subject to random alcohol testing in each calendar year. Fifty percent (50%) of the average number of covered employee positions shall be subject to random drug testing in each calendar year. The City will change the minimum annual percentage testing rate in compliance with any change by the Federal Highway Administration (FHWA) Administrator to increase or decrease the annual violation rate. The FHWA annual violation rate is based on the reported rate for commercial drivers.

B. Procedures

1. The Provider shall randomly select a sufficient number of covered employees for alcohol and drug testing during each calendar year to equal an annual rate not less than the minimum annual percentage rate established by the FHWA Administrator.
2. The Provider shall select covered employees for random alcohol and drug testing by a scientifically valid method, such as a random number table of a computer-based random number generator matched with the covered employees' Social Security numbers, City identification numbers, or other comparable identifying number. Under the selection process used, each covered employee shall have an equal chance of being tested each time selections are made.
3. Random alcohol and drug tests shall be unannounced and the dates for administering random alcohol and drug tests shall be spread reasonably throughout the calendar year.
4. Each covered employee who is notified of selection for random alcohol or drug testing shall go to the test site immediately. If a notified employee is performing a safety-sensitive function, the employee shall cease to perform that safety-sensitive function and go to the testing site as soon as possible.

5. A covered employee shall only be tested for alcohol while the employee is performing safety-sensitive functions, four (4) hours before the employee is to perform safety-sensitive functions, or four (4) hours after the employee has ceased performing such functions. The employee will be on City paid time during the testing process
6. A covered employee may be tested for drugs at anytime while the employee is at work for the City.
7. The City shall not require any covered employee to submit to a random test while the employee is off work. If a covered employee is off work, the City will skip the employee's name and the next employee's name on the selection list will be selected and tested. The City shall document that the employee was off work and that the employee was in the random selection pool for that cycle. If the employee's absence lasts for more than thirty (30) days, the pre-employment testing provisions of this program shall apply.
8. Employees performing safety-sensitive functions may be tested for alcohol with a pre-trip inspection. . However, if the pre-trip inspection is not appropriate, the employee may be requested to perform other safety-sensitive functions (e.g., driving a truck or loading a truck) in order to comply with the requirements for alcohol testing.
9. Upon notification of a Negative Dilute, the City may immediately re-test the employee.

C. Consequences

1. Covered employees shall be subject to the referral, evaluation, and rehabilitation requirements in Section IV and may be subject to disciplinary action under Section VI if they refuse to submit to a random alcohol or drug test or if they have an alcohol test with a result indicating an alcohol concentration of 0.04% or greater or a drug test with a verified positive test result.
2. Any covered employee who has engaged in conduct in violation of Section III concerning the use of alcohol or who has had an alcohol test with a result of 0.02% to 0.04% BAC or greater shall not return to duty until the employee has submitted to a return to duty alcohol test with a verified negative result. In addition, the employee will be evaluated by the SAP and develop a treatment methodology, if necessary, and may be subject to the referral, evaluation, and rehabilitation requirements in Section IV.

XI. POST-ACCIDENT ALCOHOL AND DRUG TESTING

A. Preface

As soon as practicable following an accident, the City shall test a surviving covered employee for alcohol and drugs where the accident has resulted in any one of the following conditions:

1. Death of a human being.
2. Bodily injury to a person who, as a result of the accident, receives medical treatment away from the scene of the accident.
3. The covered employee received a citation or there is a high probability that the covered employee will receive a citation for a moving traffic violation arising from performance of a safety-sensitive function with respect to the accident. In the case where it is not immediately known if the above criteria is met, the employee will provide a sample and the sample will not be tested until it is determined that the criteria for post-accident testing are met.
4. At least one (1) of the involved vehicles is required to be towed from the scene of the accident.

Following the accident, the covered employee will be tested as soon as possible, not to exceed eight (8) hours for alcohol and thirty two (32) hours for drugs.

B. Procedures

1. These procedures do not supersede the Vehicle Use Policy contained in the City of Morgan Hill's Administrative Policy and Procedure Manual or any other departmental policy or procedure regarding reporting of vehicle accidents, incidents, citations, or damage.
2. The covered employee shall notify his or her supervisor as soon as possible following an accident. The covered employee shall refrain from using alcohol for eight (8) hours following the accident or until it is determined that a post-accident alcohol test is not required as provided below. Any employee leaving the scene of the accident without appropriate authorization prior to submitting to an alcohol or drug test or being released by the supervisor will be considered to have refused to test.
3. The supervisor at the site of an accident shall:
 - a. Attend to any emergency needs of employees, passengers, pedestrians, etc. by requesting medical, fire and/or police assistance and the presence of another supervisor;

- b. Take the covered employee involved in the accident aside and give the employee a direct verbal order to abstain from alcohol and drugs until after they have been tested or until after eight (8) hours for alcohol or thirty two hours (32) for drugs and to stand by at the site until the supervisor has determined if the accident is one requiring a post-accident alcohol and drug test;
 - c. Evaluate the accident to determine whether a post-accident test is required under this program and document with written notes the supervisor's decision to require or to not require a post-accident alcohol and drug test.
4. If the supervisor at the site affirms that a post-accident alcohol or drug test of the covered employee is required, the supervisor shall take the following actions:

- a. The supervisor shall inform the covered employee the test is required by the OTETA. The supervisor will also explain that by refusing to take the alcohol and drug tests, the employee will be subject to the mandatory referral, evaluation and rehabilitation requirements of Section IV. . Refusal to take the tests will subject the employee to disciplinary action in accordance with Section IV.

Any employee who refuses to submit to a post-accident test as required by federal law shall be terminated from employment pursuant to Section IV. The employee will be offered the opportunity to be safely transported home. If an employee appears to be impaired, refuses the post-accident alcohol and drug test, and intends or attempts to drive home, the City will inform the employee that it is required to notify the proper authorities.

- b. The supervisor shall transport the employee to the designated collection site to take the necessary tests. The supervisor shall inform the employee that they have a right to request a steward. However, the process will proceed whether or not the steward is present. The supervisor transporting the employee will stay with the employee, verify the employee's identification at the collection site and later return the employee to the employee's division or work unit.
- c. If the covered employee is injured and requires off-site treatment, the supervisor shall escort the employee to a hospital or other appropriate treatment facility. The hospital will be requested to collect the necessary specimen and provide safe-keeping until the sample is picked up by the City collection agency.

- d. The supervisor shall ensure that the covered employee does not perform any safety-sensitive function until the employee is cleared by the post-accident test results. This includes ensuring that neither the covered employee nor any other employee involved in the accident operates the vehicle any further. If necessary, the supervisor will move the vehicle or request another employee not involved in the accident to do so.
5. If the supervisor at the site of the accident determines that the accident does not meet the criteria for a post-accident alcohol and drug test, the covered employee may continue to perform safety-sensitive functions.
6. If the covered employee is taken into police custody at the site of an accident and the site supervisor has affirmed that the accident is one requiring post-accident drug testing, the City's collection agency will be requested to test the employee for alcohol and drugs.
7. If a post-accident alcohol test is required and is not administered within two (2) hours following the accident, the City shall prepare and maintain on file a record stating the reasons the test was not promptly administered. If the alcohol test is not administered within eight (8) hours, the City shall cease attempts to administer an alcohol test and shall prepare and maintain the same record.
8. If a post-accident drug test is required and is not administered within thirty two (32) hours following the accident, the City shall cease attempts to administer a drug test and shall prepare and maintain on file a record stating the reasons the test was not promptly administered.

C. Consequences

1. Covered employees shall be subject to the referral, evaluation, and rehabilitation requirements in Section IV and shall also be subject to the disciplinary consequences of Section VI if they refuse to submit to a post-accident alcohol or drug test or if they have a post-accident alcohol test with a result indicating an alcohol concentration of 0.04% or greater or a drug test with a verified positive test result.
2. Any covered employee who has engaged in conduct in violation of Section III concerning the use of alcohol or who has had an alcohol test with a result of 0.02% to 0.04% BAC or greater shall not perform a safety-sensitive function until the employee has submitted to a return to duty alcohol test with a verified negative result. In addition, the employee will be evaluated by the SAP and develop a treatment methodology, if necessary, and may be subject to the referral, evaluation, and rehabilitation requirements in Section IV.

XII. REASONABLE SUSPICION ALCOHOL AND DRUG TESTING

A. Preface

The City shall require a covered employee to submit to an alcohol and/or drug test when the City has reasonable suspicion to believe that the employee is under the influence of alcohol or drugs.

B. Procedures

1. The City's decision to require a covered employee to submit to a reasonable suspicion alcohol and/or drug test shall be based on a supervisor's determination that reasonable suspicion exists that the employee is in violation of Section III . The City's determination must be based on:

- a. Specific, personal, and articulate observations concerning the appearance, behavior, speech or performance of the employee; or
- b. Violation of a safety rule, or other unsafe work incident which, after further investigation of the employee's behavior, leads the supervisor(s) to believe that alcohol or drug use may be a contributing factor; or
- c. Other physical, circumstantial or contemporaneous indicators of alcohol or drug use

Suspicion based solely on third party observation, violation of safety rule or unsafe work incident is not reasonable suspicion for testing. However, such suspicion may be a basis for further investigation, or for action to protect the safety of others, such as ordering the employee to stop work.

No action shall be taken against a covered employee based solely on the employee's behavior and appearance, with respect to alcohol or drug use, without a positive test.

2. The supervisor will obtain the assistance of another supervisor, when feasible, to observe and document the above behavior or factors.
3. The supervisor shall inform the employee of the facts upon which the reasonable suspicion is based, advise the employee that the supervisor wishes to question the employee about the employee's behavior or conduct on which the reasonable suspicion is based, and advise the employee that he or she has the right to request the presence of a steward or other representative before answering the supervisor's questions.

- a. If the employee chooses to be represented, the steward or other representative will be allowed up to one (1) hour to arrive. If no steward or other representative is available within one (1) hour, the supervisor should continue the procedure.
 - b. The supervisor shall request an explanation from the employee concerning the employee's behavior or conduct on which the reasonable suspicion is based. If a satisfactory explanation is not provided, the employee will be tested.
 - c. The supervisor must complete the Observation/Incident Report within one (1) hour of the incident. The supervisor will provide a copy of the completed Observation/Incident Report to the Union. A copy should be given to the steward or other representative, if present, and another sent to the Union president.
4. If the employee refuses to submit to the test, the employee will be terminated pursuant to Section VI. The employee shall be offered the opportunity to be safely transported home.

If an employee appears to be impaired, refuses the reasonable suspicion alcohol and drug test, and intends or attempts to drive home, the supervisor will inform the employee that the City is required to notify the proper authorities. Again, an employee who has refused to submit to a post-accident test will be disciplined in accordance with Section VI.

5. If the employee submits to the reasonable suspicion alcohol and/or drug test, the supervisor will assign the employee to non safety-sensitive duties until the supervisor receives the test results, unless in the supervisor's judgment, the continued presence of the employee in the workplace poses a significant safety risk to the employee or others or is disrupting the workplace. In that event, the supervisor shall place the employee on sick leave or other accrued leave and arrange to safely transport the employee home.
 - a. If the alcohol and/or drug test is positive, the employee will be subject to the return to duty/follow-up testing program and procedures.
6. No supervisor shall physically search an employee or an employee's private property (purse, briefcase, car) based on the supervisor's reasonable suspicion that the employee has violated Section III.
7. The supervisor(s) or City official(s) who observe(s) the employee's behavior on which reasonable suspicion testing is based must have received at least sixty (60) minutes of training on alcohol misuse and an additional sixty (60) minutes training on drug use. The training must cover the physical, behavioral, speech, and performance indicators of probable alcohol misuse and use of drugs.

8. No reasonable suspicion alcohol testing may be done except while the employee is performing a safety-sensitive function, four (4) hours before the employee is to perform a safety-sensitive function, or four (4) hours after the employee has ceased performing such function.
9. If an alcohol test is not conducted within two (2) hours of the observation, the City must prepare and maintain a record stating the reasons the alcohol test was not promptly administered. If eight (8) hours have passed, the City will not administer the test.
10. A written record must be made of the observations leading to an alcohol or drug reasonable suspicion test, and signed by the supervisor or City official who made the observations, within one (1) hour of the observed behavior or before the results of the alcohol or drug test are received, whichever is earlier.

C. Consequences

1. Covered employees shall be subject to the referral, evaluation, and rehabilitation requirements contained herein and may be subject to the disciplinary consequences of Section VI if they refuse to submit to a reasonable suspicion alcohol or drug test or if they have a reasonable suspicion alcohol concentration of 0.04% or greater or a drug test with a verified positive test result.
2. Any covered employee who has engaged in conduct in violation of Section III concerning the use of alcohol or has had an alcohol test with a result of 0.02% to 0.04% BAC or greater shall not perform a safety-sensitive function until the employee has submitted to a return to duty alcohol test with a verified negative result. In addition, the employee will be evaluated by the SAP and develop a treatment methodology, if necessary.

XIII. RETURN TO DUTY/FOLLOW-UP TESTING

A. Preface

Covered employees who have alcohol test results of 0.04% BAC or greater or who test positive for drugs are subject to return-to-duty testing and are also subject to unannounced follow-up alcohol and/or drug test following their return to duty.

B. Procedures

1. Return to duty test

- a. Any covered employee who has engaged in conduct in violation of Section III concerning the use of alcohol or had an alcohol test with a result of 0.04% BAC or greater shall not return to duty until the employee has submitted to a return to duty alcohol test with a verified negative result. In addition, the employee will be evaluated by the SAP and develop a treatment methodology, if necessary.
- b. Any covered employee who has engaged in conduct in violation of Section III concerning the use of drugs or who has had a drug test with a positive result shall not return to duty until the employee has submitted to a return to duty drug test with a verified negative result. In addition, the employee will be evaluated by the SAP and develop a treatment methodology, of necessary.

2. Follow-up testing

- a. If an employee tests positive for either alcohol or controlled substances, he/she will be subject to unannounced follow-up alcohol and controlled substances tests following his/her return to duty. The number and frequency of such follow-up testing shall be as directed by the SAP and consist of at least six (6) tests in the first twelve (12) months following the employee's return to duty.
- b. Follow-up testing shall not exceed sixty (60) months from the date of the employee's return. The SAP may terminate the requirement for follow-up testing at any time after the first six (6) tests have been administered if the SAP determines that such testing is no longer necessary.
- c. Follow-up alcohol testing shall be conducted only when the employee is performing safety-sensitive functions, four (4) hours before the employee is to perform safety-sensitive functions, or (4) four hours after the employee has ceased performing safety-sensitive functions.
- d. Follow-up drug testing may be conducted at anytime while the employee is at work for the City.

C. Consequences

1. Covered employees shall be subject to the referral, evaluation, and rehabilitation requirements contained herein and may be subject to the disciplinary consequences of Section VI if they refuse to submit to a return-to-duty or a follow-up alcohol or drug test or if they have a return-to-duty or follow-up alcohol test with a result indicating a BAC of 0.04% or greater or drug test with a verified positive test result.
2. Any covered employee who has engaged in conduct in violation of Section III concerning the use of alcohol or who has had an alcohol test with a result of 0.02% to 0.04% BAC or greater shall not return to duty until the employee has submitted to a return-to-duty alcohol test with a verified negative result. In addition, the employee will be evaluated by the SAP and develop a treatment methodology, if necessary. In addition, the employee may be subject to the disciplinary consequences of Section VI if they refuse to submit to a return-to-duty or a follow-up alcohol or drug test or if they have a return-to-duty or follow-up alcohol test with a result indicating a BAC of 0.04% or greater or drug test with a verified positive test result.

XIV. DOCUMENT DISTRIBUTION AND TRAINING

A. City's Alcohol and Drug Testing Programs and Procedures

Every employee who is covered by the federal alcohol and drug testing regulation as explained in this program shall be provided with a copy of this program prior to the start of alcohol and drug testing. Each employee is required to sign a statement certifying that he or she has received a copy of this program. The City will maintain the original of the signed document in the official personnel file and will provide a copy of the certificate to the employee.

B. Required Training for Covered Employee

Every covered employee will receive a one (1) hour training course on the City's Alcohol and Drug Testing Programs and Procedures. Each employee will sign an attendance roster and will receive a certificate of completion of this training. A copy of the certificate of completion will be placed in the employee's official personnel file. Every subsequent year, refresher training will be provided.

C. Supervisory Training

All supervisors of covered employees will receive a minimum of one (1) hour of training for alcohol and one (1) hour for drugs related to the City's Alcohol and Drug Testing Program and Procedures. In addition, the supervisor will be trained on alcohol and drug usage and impairment with strategies for dealing with these types of issues. Each supervisor will sign an attendance roster and will receive a certificate of completion of this training.
